Addendum "Team" Rules Set

- T00 NOTE that it is REQUIRED that one selected person (besides Sammy) from EACH TEAM shall arrive at the park at or around 5:15pm +/-, to aid in Court Set-Up and then Break-Down at the end of the game play night. The selected individual can change from week to week, as it will be up to each team to decide. IF a Team FAILS to provide one person to help Set-Up and Break-Down "that" team shall be penalized FORFEITURE for the FIRST GAME, and it will result in ONE (1) Auto Loss for the night. The reason for this rule is to get our gaming to start ON TIME, as well as, to be able to leave the park before it gets too dark to see !!!!!
- T01 ALL teams shall abide by SWV's general Rule Set & Intent. All games, other than the finals, shall be SELF REFERRED. ANY Conflicts or Disputes during game play shall either be; 1). Automatically REPLAYED. OR 2). Brought to Sammy for a FINAL DECISION RULING !!!!!
- T02 The HOPE and INTENT for the league is for each participant is to play to the best of one's own ability, AND play according to the RULE SET set forth by SWV. Any conflicts to this, see note T01. Bottom line is we want this league to be one of good competitive play, good sportsmanship, and FUN. NO "Bad Attitudes" shall be tolerated by ANY player.
- T03 It shall be up to the League Commissioner (Sammy) to decide IF it will be possible to have MAKE-UP Games - Due to Holiday and or Inclement Weather Conditions, during normal nights which may prevent us from playing. MAKE-UP Games will be held on either Saturday Evenings or Sunday Mornings, again at the discretion of Sammy.
- T04 Each Wednesday Start, A SCHEDULE OF TEAM GAMES shall be provided by the League Commissioner. EACH Team will have the responsibility of playing according to the schedule sheet, as well as, filling out the SCORE SHEET PAGE, and handing it in to Sammy at the End of the each Game Day.
